

# Online Game / Practice Status

*Courtesy of ELCO Youth Sports*

This is a great way for coaches to conveniently notify their team of practice cancellations and game postponements.

- You don't have to wait for a phone call or have to keep checking your email.
- Statuses can be checked using any smart phone. (Blackberry, iPhone, etc.)
- If you do not have access to the internet, just let your coach know and they can still call you.

How do I find out about the status of the game or practice?

1. Visit any of the following websites:

*elcoyouthsports.org*

*myerstownsoccerclub.org*

*elcounited.org*

2. Click the **blinking stoplight** from any of these websites home pages.
3. See if your coach has posted any messages to your team.
